A top-down view of various natural and wellness products arranged on a white background. The items include several green leafy branches, a wooden massage roller, a wooden brush, a glass jar of yellow oil, a small white bowl of powder, a dark glass bottle, a white bar of soap, a yellow sponge, and a small white bowl of cream. The items are scattered across the left side of the page, creating a sense of natural and holistic health.

Introduction

Replenish Health and Wellness is a medically directed modern approach to wellness, aesthetic and anti-aging medicine using IV vitamin infusions. Our approach is to treat one's health and beauty from the inside out.

About Bria

Bria is a licensed cosmetologist, attended Makeup Designory in NYC to obtain a masters degree in esthetics. She is qualified to create and apply special fx makeup and prosthetics along with specializing in avant garde hair creations. Bria has worked as part of the hair and makeup team for Bronx fashion week and as an on-set makeup artist for a local photographer.

Replenish Health and Wellness, works in conjunction with our Skin Specialists of Registered nurses to provide counseling for your skin care needs. In a private and professional atmosphere, our licensed aestheticians can consult with you to determine the best regimen to enhance the beauty you already possess.

Our experienced team provides detailed instruction emphasizing education and proper skin care and our Licensed Medical professionals are available for consultation regarding any of your skin care concerns.

Start your visit with a discussion of your concerns and your goals and leave with a more positive approach to healthy skin. Our aesthetician will advise you as to the best long-term plan for your skin care needs and will be there to assist and counsel you every step of the way.

SkinIV™

Replenish™ is the pioneer of SkinIV™. Our SkinIV™ is a custom blend formula of vitamins, minerals and amino acids that repair, brighten and enhance the appearance of the skin, resulting in a healthy, youthful glow.

When your body is healthy from the inside it will show the glowing effects on the outside.

Our approach is a combination of a healthier body-healthier skin theory. We call this concept Dermo-IV-Nutrition.

At Replenish, we incorporate the benefits of healthy habits and simple lifestyle changes with SkinIV™ infusions, along with a personalized variety of topical skin treatments.

We offer cutting edge skincare that can treat you from the inside out.

This will give you better results such as:

- Hydrated and Vital skin
- Glowing skin
- Naturally decreasing fine lines

SKIN REVITALIZE™

The ultimate skin brightener, reduced melanin production while improving reductions of age spots & discoloration, producing a glowing complexion. This infusion Aids in Brighter Clearer Appearance of Skin. Full of powerful antioxidants to help reduce pigmentation, leaving your skin looking bright, fresh, and glowing

SKIN ACNE IV™

First ever acne IV treatment! Treats acne symptoms by reducing inflammation, sebum internally and brightens skin by producing a "jump start" to the skin's complexion. The combination of ingredients in this formula helps with treating bacteria and stabilize the oil produced by the skin.

SKIN REJUVENATE™

Is one of our many customized infusions that has the combination of ingredients that provides a fuel which enhances cellular bonds and tightens skin. It stabilizes the skin's deeper and outer layer due to an anti-inflammatory effect of the combined ingredients. This infusion works well with many types of skin treatments such as chemical peels, laser procedures, microneedling and more.

Facial Menu

CLASSIC FACIAL (REJUVENATION)

Tailored to treat skin concerns such as skin congestion, lack of radiance, skin sensitivity, fine lines, and loss of firmness. You will enjoy a deep pore cleansing, exfoliation, and extractions. An excellent treatment for all skin types.

- \$175 (Facial only)

You may receive a SkinIV™ REJUVENATION vitamin infusion while you are being pampered with a facial. Treat your body with our Beauty from within combo. Rejuvenate your skin from the inside via an IV infusion while getting customized treatment by Bria our Aesthetician.

- \$110 (IV add on)

This may be combined with a laser procedure by a Registered Nurse for skin tightening and rejuvenation.

- \$150 (Laser add on)

Full Package

- \$399 (Laser, SkinIV™ and facial)

Facial Menu

DEEP HYDRATION FACIAL

Custom skin treatment that is full of water-rich properties and has been designed to provide deep hydration and stimulate the deep layers of your skin cells and tissue to boost collagen, elastin, and cell generation, while also exfoliating and encouraging blood flow to the skin. Including 20 minute massage

- \$175 (facial only)

This may be combined with a laser procedure by a Registered Nurse for skin tightening and rejuvenation.

- \$150 (Laser add on)

Look and feel dehydrated? You can receive a SkinIV™ vitamin infusion while you are being pampered with a facial. Treat your body with our Beauty from within combo. Hydrate and rejuvenate your skin from the inside via an IV infusion while getting treatment of hydration on the surface of the skin.

- \$110 (SkinIV™)

Full Package

- \$400 (SkinIV™, laser and facial)

Facial Menu

REVITALIZE FACIAL (ANTI-AGING)

The treatment begins with a thorough cleanse and gentle peel to exfoliate and prep the skin for a personalized skincare. Then experience a true cutting-edge approach: the non-ablative Areolase laser bypasses the stratum corneum to stimulate the lower layers of the skin, prompting collagen production while breaking up pigmentation and melasma, bringing down redness and even minimizing pores. This is done by a registered nurse then our beautiful aesthetician will take over and do her magic. Including a 20 minute massage.

- \$320

You may combine this with our SkinIV™ Next, near-infrared skin tightening further bolsters the firming efforts, using light energy to heat and contract the skin's collagen fibers. Finally, a cocktail of replenishing masks is layered beneath an LED device to calm, soothe and deeply hydrate the skin.

- \$410

With zero downtime (even for the very sensitive) and absolutely no pain involved, this very much feels like the future of medical facials.

Facial Menu

YOUNG ADULT FACIAL (ACNE-SKIN CONGESTION)

This facial cleanses, hydrates and moisturizes the teen skin, leaving it vibrant and fresh and 20 minute massage

- \$175 (Facial)

Have a non-painful laser procedure as well specifically to decrease the bacteria and sebum beneath the skin.

- \$250 (laser add on)

We also offer the world's first Acne SkinIV™. Provides the proper nutrients the skin needs on a deeper level treating the skin from the inside-out.

- \$145 (IV add on)

Full Package

- \$500 (SkinIV™, laser and facial)

Note - A parent or guardian over 18 must be always present, while the treatment is taking place.

We do not recommend this treatment if any of the below apply:

Coldsores

Skin Infection

Eye Infection

*May need more than one laser procedure done for clear complexion program

Non-Surgical Aesthetic Procedures

Have specific beauty concerns? We prioritize a tailored approach! Schedule a complimentary consultation today to build a personalized treatment plan!

Our beauty plans can range from three to four months. We always recommend to have a skin consult to best suit one's skincare goals.

It's a relationship to form an anti-aging maintenance for you to have the best skin.

NEOSKIN LASER

NeoSkin by Aerolase advances rejuvenation and tightening to new levels by enabling a comprehensive treatment to address tone and texture, redness, pigmentation, laxity, and other unwanted skin structures.

NEOCLEAR LASER

NeoClear is a powerful acne treatment that eliminates the major factors causing acne including excess sebum production, inflammation, and the p. acnes bacteria.

MICRONEEDLING/ CHEMICAL PEELS

Microneedling is an effective therapy for skin complaints such as acne scars, wrinkles, skin laxity, and dull skin.

Improves the appearance and smooth the texture of the skin with chemical peels .

COSMETIC FILLERS

Our licensed medical professionals have an artistic eye to use fillers for a more natural look!

BOTOX/JEUVEAU

Rely on precise injections of a neurotoxin to improve the appearance of skin. Its to prevent muscle movements that wrinkle the skin over time.

AQUAGOLD MICRONEEDLING

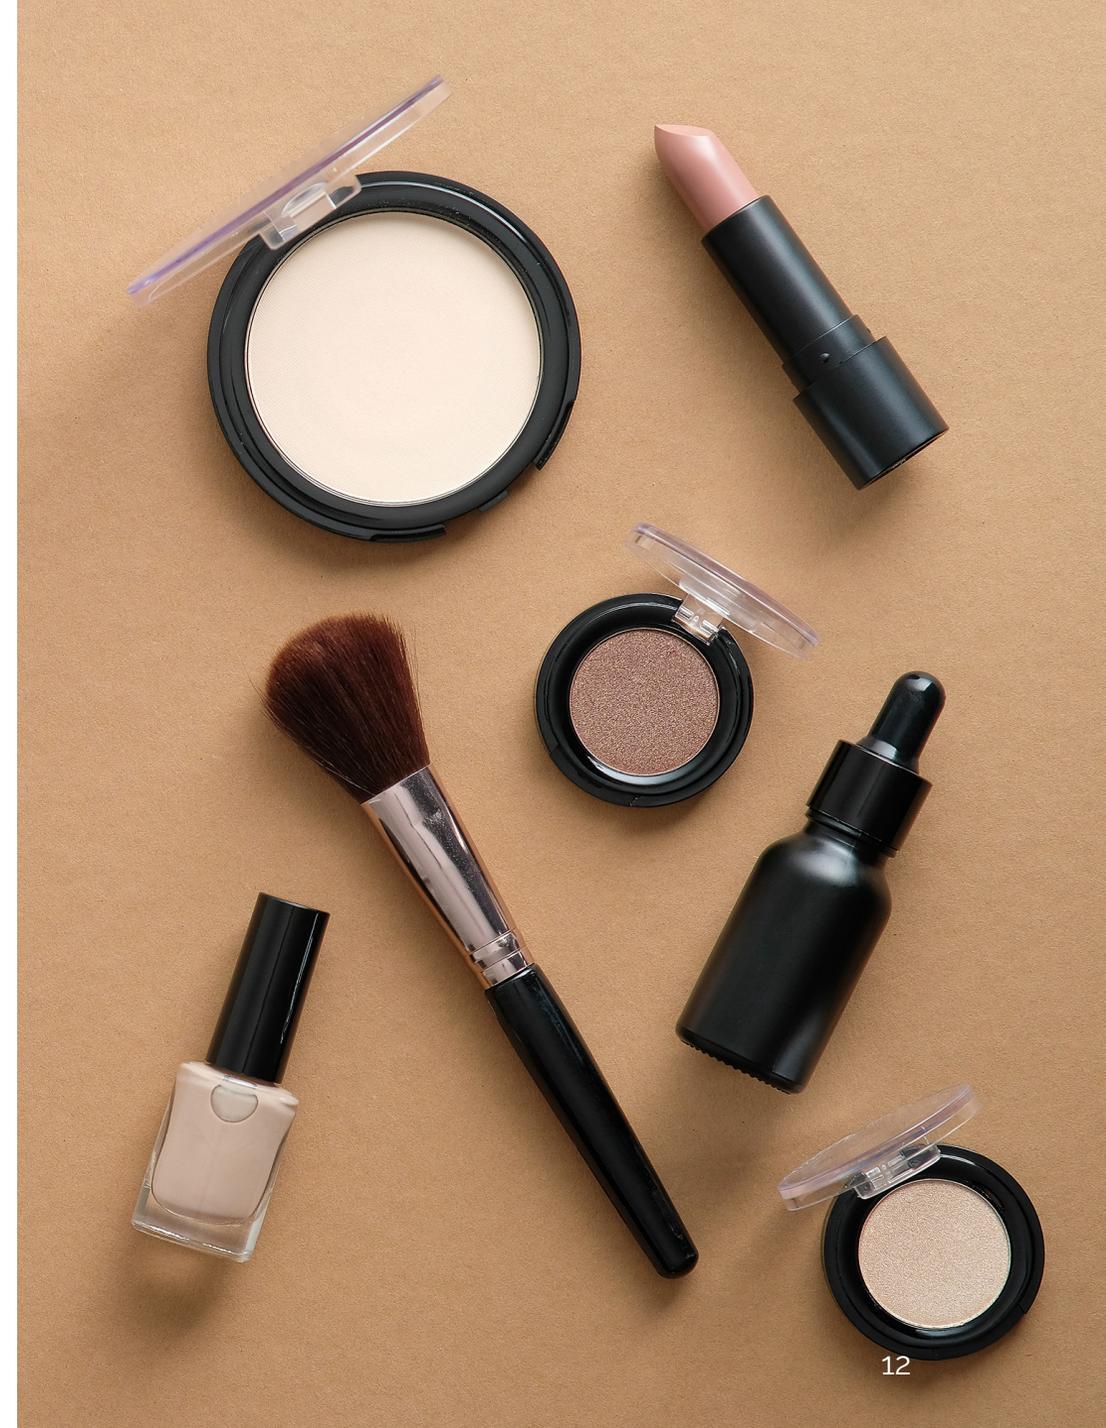

The revolutionary AquaGold® fine touch™ microneedling procedure delivers products such as growth factors, antioxidants, and cosmetic injectables directly into the skin with little discomfort and no downtime.
